total amount of Administration charges and custodian fees for the mo

Subt- Evacuee fire-arms-

Sir,

I am directed to say that, as you are aware, the question of restoration of fire-arms left behind by evacuees and taken over by the Governments in either country has been the subject matter of discussions at the various Indo-Pakistan Conferences and at the last conference held on the 27th June, 1950, it was agreed that fire-arms should be restored to evacuee owners or compensation paid to them in the alternative. Unfortunately the Pakistan Government have not implemented the agreement. As a result, the evacuee fire-arms stores in the various Malkhana in India have also not been returned to their owners now in Pakistan. It is not unlikely that as a result of long storage these fire-arms have considerably deteriorated in quality and in efficiency. Besides, the displaced persons, who have left behind in Pakistan fire-arms owned by them, have been making representing to the Government of India that the evacuee fire-arms taken over by the State Governments may be allotted to them in lieu of the weapons left by them in Pakistan.

2. The matter has been examined and a proposal, whereby the evacuee fire-arms available with the State Governments could be temporarily allotted to the displaced persons holding the receipts for fire-arms left by them in Pakistan, is now under the consideration of the Government of India. The allottee will be required to surrender the arms as and when the present stalmate with Pakistan Government in the matter is resolved. The allottee will, therefore, be required to execute a bond to the effect that the weapons will be surrendered by them, if so required by Government. The temporary allottee will have to be licensed. These matters will be considered further after the scheme has been duly examined.

3. The information regarding the evacuee fire-arms stored in the Malkhana etc. supplied by the various State Governments to the Custodians General of Evacuee property is in some respects incomplete and does not contain sufficient details so as to enable the Government to consider the proposed scheme of temporary allotment of fire-arms to the displaced persons holding receipts for fire-arms left by them in Pakistan. I am, therefore, to request that upto-date information regarding the evacuee fire-arms available with the State Governments may be compiled in the manner indicated in the proforma attached to this letter and furnished to the Government of India as early as possible and in any case by the 20th June, 1953. The Government of India would be grateful, if the information collected from the various Districts of a State is consolidated and only one statement sent to them.

4. I am kindly to request that the receipt of this letter may kindly be acknowledged.

Yours faithfully,
